Forecast For Wales
Issued by Met Office Exeter
at 0400 on Wednesday 18 Aug 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Drizzle and rain for at times, driest in the east.

Today:
Patchy rain and drizzle gradually easing through the morning, leaving a largely dry afternoon for most, excluding western areas. Staying largely dry in the east of the country through the afternoon. Maximum temperature 20 deg C (68 deg F).

Tonight:
The rain and drizzle in the west of the country will continue to slowly ease into the night. Remaining dry through the early hours, with a few clear spells. Minimum temperature 13 deg C (55 deg F).

Thursday:
A dry start throughout, before rain arrives towards the afternoon in the north of the country, with some heavy outbreaks at times. A few scattered showers elsewhere, but generally dry. Maximum temperature 20 deg C (68 deg F).

Outlook for Friday to Sunday:
Dry and bright for most of Friday, with some rain later. More unsettled over the weekend, with widespread, heavy rain arriving on Saturday. Rain and scattered showers through Sunday.
